

5th Indo-Japanese International Joint Symposium on Overcoming Intractable Infectious Diseases Prevalent in Asian Countries

**September
16th (Tuesday) &
17th (Wednesday),
2014**

**Morito Hall
Tokyo University of Science**

**Morito Hall
Tokyo University of Science (TUS)
(Kagurazaka, Tokyo, Japan)**

The purpose of this symposium is to develop the effective treatments to overcome various intractable infectious diseases, such as **Tuberculosis, AIDS and Malaria**. There are no effective clinical treatments for these intractable infectious diseases, although still a lot of people worldwide are suffering from these diseases.

➤ The symposium consists of **Invited Lectures** by scientists from India, Japan and other countries, and **Poster Presentation**. Submission of papers for poster presentation is welcome. Deadline of the abstract submission is **August 20th, 2014**.

➤ **Registration**

- Registration fee is **free**.
- Advanced Registration is necessary via the website.

< <http://www.rs.noda.tus.ac.jp/dds/e/symposium/index.html> >

Deadline for Registration

August 31th, 2014.

➤ **Critical Discussion Points**

include treatments of Tuberculosis, Aids, Malaria and other intractable infectious diseases from the clinical and basic points of view:

- Strategies
- Drug design and development
- Vaccination
- Drug Delivery System (DDS)
- Biological and biochemical aspects

➤ **Organizing Committee** (©Chairs)

- © Hiroshi Terada (Niigata University of Pharmacy & Applied Life Sciences, Niigata, Japan)
- © Vandana B Patravale (Institute of Chemical Technology, Mumbai, India)
 - H. L. Bhalla (SciTech Centre, Mumbai, India)
 - Tsuneji Nagai (The Nagai Foundation Tokyo, Tokyo, Japan)
 - Kimiko Makino (Tokyo University of Science, Tokyo, Japan)

➤ **Organized by**

- © Center for Physical Pharmaceutics, Research Institute for Science and Technology, TUS
 - Center for Drug Delivery Research, Faculty of Pharmaceutical Sciences, TUS
 - The Nagai Foundation Tokyo
 - Pharmaceutical Education & Research Develop Centre (PERD Centre)
 - SciTech Centre
 - Niigata University of Pharmacy & Applied Life Sciences

➤ **Supported by**

- Controlled Release Society, Indian Chapter
- TEIKOKU SEIYAKU CO., LTD.

➤ **Advisory Board**

- Hajime Toguchi (Otsuka Pharmaceutical Co., Tokushima, Japan)
- Yoshiaki Kawashima (Aichi Gakuin University, Nagoya, Japan)
- Mitsuru Hashida (Kyoto University, Kyoto, Japan)
- Ajit Singh (SciTech Centre, Mumbai, India)
- Manish Nivsarkar (PERD Centre, Ahmedabad, India)
