

Photocatalysis 2

The 2nd International Symposium on Recent Progress of Energy and Environmental Photocatalysis

DATE : **December 1-3, 2017**

VENUE: **Katsushika campus, Tokyo University of Science**, Tokyo, Japan

Conference Chair: Akira Fujishima (Tokyo University of Science)

Vice-Chair: Atsuo Yasumori (Tokyo University of Science)

Organized by Photocatalysis International Research Center (PIRC), Tokyo University of Science

Co-organized by Research Institute for Science & Technology (RIST), Tokyo University of Science

University Research Administration Center (URA), Tokyo University of Science

Important Date

Abstract submission

Deadline: **August 4, 2017**

Author Notification:

August 25, 2017

Registration

Deadline: **October 27, 2017**

Registration and banquet fees are free.

It will be our pleasure to welcome a lot of professors, researchers, and students to this joint symposium.

Scope:

The 2nd International Symposium on Recent Progress of Energy and Environmental Photocatalysis (Photocatalysis 2) will be held in December 1-3, 2017 in Katsushika Campus, Tokyo University of Science, Tokyo, Japan. This symposium will offer material researchers from around the world who have interests in energy and environmental photocatalysis, intelligent electrophotonic materials, and molecular electronics. It would like to facilitate interactions between researchers from industry, national laboratory and academia for the future international collaborators. The following topics are invited:

- Photocatalysis
- Photo-functional materials
- Electrophotonic Materials
- Molecular Electronic
- Nano-sized structural and functional materials
- Photochemical energy storage and conversion
- Environmental purification technologies

Schedule at a glance

December 1:

- Photocatalysis Symposium (only Japanese session)
- Welcome party

December 2:

- Opening remark
- Plenary talk
- Poster presentation
- Banquet

December 3:

- Plenary talk
- Keynote talk
- Invited talk
- Closing remark

Oral presentation

Plenary Talk: 30 min
Keynote Talk: 25 min
Invited Talk: 20 min

Poster presentation

Poster presentation: 120 min
Short presentation: 1 min

Venue

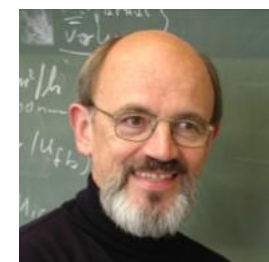

Library Hall, Katsushika campus, Tokyo University of Science

Plenary Speakers

Prof. Akira Fujishima
(Tokyo University of Science, Japan)

Prof. Horst Kisch
(Friedrich Alexander University
Erlangen-Nürnberg, Germany)

Prof. Jiang Lei
(Chinese Academy of Sciences, China)

Prof. Qingbo Meng
(Chinese Academy of Sciences, China)

Keynote Speakers

Prof. Kazunari Domen
(The University of Tokyo, Japan)

Dr. Takeshi Morikawa
(Toyota Central R&D Labs., Inc., Japan)
