

Organization for Research Advancement

Research Institute for Science & Technology

Research Institute for Science & Technology Steering Committee

- Research Divisions**
- Division of Nanocarbon Research
 - Division of Colloid and Interface Science
 - Chemical Biology Division Supported by Practical Organic Synthesis
 - CAE Advanced Composite Materials and Structures Research Division
 - Academic Detailing Database Division
 - Division of Nucleic Acid Drug Development
 - Division of Advanced Urbanism and Architecture
 - Division of Synthetic Biology
 - Renewable Energy Science & Technology Research Division
 - Division of Ambient Devices Research
 - Division of Biological Environment Innovation
 - Statistical Science Research Division
 - Department of MOT Strategy & Fintech for Social Implementation
 - Research Alliance for Mathematical analysis
 - Division of Nano-quantum Information Science and Technology
 - Research Group for Advanced Energy Conversion
 - Development of superior cell and DDS for regenerative medicine
 - Parallel Brain Interaction Sensing division
 - Division of Digital Transformation
 - Modern algebra and Cooperation with Engineering

- Research Centers**
- Center for Fire Science and Technology
 - Water Frontier Research Center
 - Research Center for Space System Innovation [SSI]

Research Institute for Science & Technology

- Joint Usage / Research Center**
- Research Center for Fire Safety Science
